“From The President’s Office” (More Red than ever!)

Saturday 3:15 T.G. Milner 1<sup>st</sup> Grade can make history with a back to back Kentwell Cup victory! Colleagues, the only other side to win against us this season stand between us and yet another place in NSW Rugby History. It’s probably a fair assumption that this is the top accolade in amateur rugby in Australia and there is no doubt that on our game, we are worthy of owning it yet again.

Your support, in strength as a club will help.

Let’s be there for them, early enough so they know that we are there in numbers, let’s be visible as the “Dirty Red Army” and be as vocal as we are visible.

I am making no plans for the rest of the weekend. I intend to celebrate the end of another great season with you all and I hope I will be lost in the crowd!

See you all there,

Colin
