We are centrally located in Parramatta and with over 20 years experience you can be ensured of a perfect fit every time. We cater to boys hire from 2 year olds up to men's formal hire to size 60.

As we are independently owned and operated we can respond to market trends and individual customer requests ahead of the competition. Last minute mens formal wear hire is our speciality.

All our formal wear hire suits are tailor made to the highest standard. We have a huge range of vests and accessories to suit every taste, budget and occasion. Not all our range is able to be viewed on our website, so....
