VALE – DAVID DYER OBE

d 16th October 2000

The Club has lost one its most respected, dedicated and long serving members, David Dyer, whose lifetime of commitment to the Club and to the game first began in the Drummoyne Juniors in the 1940's.

David spent his youth in Chiswick and rode his bike around the old market gardens for his Rugby at the oval He was in the First XV at Fort Street Boys' High and selected in the Combined High Schools' Firsts as a strapping second rower. He then graduated to Drummoyne senior club ranks and even after playing retirement often filled in where required in lower grades. He ran the line and refereed. No job at Drummoyne was beyond David

Marriage to Robin Firth, daughter of Club President Grahame Firth, added to David's involvement, as the Firths are one of the Reds great families. It was as Hon Treasurer for 11 years that David earned his distinguished Life Membership.

In the early 1970's, David was appointed NSW Govt Trade Commissioner in New York and while there refereed a Test Match between the All Blacks and the USA. He made a significant contribution to the writing of our Club History "Men in Scarlet".

The Drummoyne Rugby Community grieve with Robin and all their wonderful family for the passing of this true Rugby Man, David Dyer, who always spoke his mind and in his own words, loved to " stir the pot ".

John Mulford

PRESIDENT'S REPORT 2000

This year's on-field performances and results for the club can only be described as outstanding. Culminating in premierships for the 1st, 2nd and 5th grades and I think highlighted by a very close 2nd in the overall club championship. The goal we set ourselves at the beginning of the year was to be competitive in all grades and build our player base through committed recruiting. This was largely successful due to a strong commitment from our coaching staff and in particular Fred Andrews, Peter Gavrillis, Alan Coglán and David Newall. Our club captain Matt Thomas also provided valuable assistance on and off the field.

The pressures off the field continue to build with human resources available nearing its limit. Predominantly the same committees who have run the rugby club this year have also been involved on the committee of the licensed club. The licensed club is going through a traumatic time of survival which has affected the running of the football club. Thankfully I have been helped by a tireless secretary in Ken Stevenson. His contribution to the success of the club at this time of the club's future has been crucial. I have also had able support from Kerry Gemmel, Colin Fleming and Ross Edwards.

The financial issues of running an amateur club continue to be difficult. Our thanks to all our sponsors this year and special thanks to Budweiser, our major sponsor.

A highlight this year was the appearance of the "Bill and Bledisloe" Cups at our club. It provided a great photo opportunity for many of our junior rugby players to be there with the Rugby World Cup.

My thanks to all who have helped on match day and of course to all our financial members who we rely on to keep this great club advancing.

Yours in rugby,
Danny Rawlings
President

SECRETARY'S REPORT 2000

2000 proved to be another successful year for the Dirty Reds with 1st grade, 2nd grade, Woman's and the Under 13's all winning their competitions. 5th grade were beaten in the Grand Final and 3rd and 4th reaching the semi finals. With all teams in the finals series Drummoyne finished 2nd to Old Ignations in the Club Championship.

Earlier in the year the Dirty Reds took out the NSWSRU 7's that were played at Forest defeating ST Pats 29-19 in the final.

With the 1st grade team playing so well it was only fitting that Drummoyne had 4 players selected in the NSWSRU Rep team that played NSW Central Coast and Queensland Suburban, they were Matt Thomas (Captain), Nathan Wicks, Inoke Turuva and Okesene Seiuli.

As usual there were many travellers from overseas and the need to find accommodation was solved by leasing a 5-bedroom house at Blackmore Oval, Leichhardt. Blackmore became the home for many players and their friends and was "the party house" of Drummoyne Rugby, the biggest of which went for days after the Grand Final wins.

Work finally began on the new grandstand and improvements to Drummoyne Oval.

2000 saw the passing of David Dyer, a wonderful Clubman for many years.

Ken Stevenson

COLT'S REPORT 2000

The year 2000 saw us fielding a Colts side for the second year running, starting from scratch in 1999. We struggled with numbers at the start of the season and called every contact we had to get young guys to play Colts for the Dirty Reds.

After a few big losses at the beginning of the season, they guys started to put together some wins and were playing good rugby. We finished the season way down the ladder, but considering we were playing older established clubs that had several large private schools as their catchment for players, we did pretty good.

Players who impressed during the season were really the whole side for their grit and determination, but the following guys stood out :-

- JARRAD HUGHES – was there from day one and was an able captain who led his guys by example.
- GREGOR HARVEY – our 'Rock of Gibraltar' from Scotland. He controlled the scrum so well, we lost him to First Grade at seasons end.
- SCOTT NG – was another Trinity boy who came back for a second season with those safe hands at full back.
- BILL ELLIOT – did everything asked of him and was always where the action was the thickest. A great club man!
- Michael Franklin – at 16 years of age, playing his second season for the Colts. Small in stature, big in ticker.

Thanks for the great season!

Very special thanks to Colin Fleming, Anthony Wilson, Dave Hughes, Michael Palmer and all the good folk who supported and cheered the Colts on.

Thomas Herlihy
Coach.
