PRESIDENT'S REPORT 2002

Our stated objective as part of the rebuilding of the club when we were forced to rejoin "Subbies" in 4th Division was always to reach 1st Division as a competitive, winning Rugby Club that had a solid social side. The loss of the Licenced Club in 2001 made it difficult to sustain the social side, but we did, as we have done since returning to Division 1, maintain a competitive and predominantly winning perspective on the field. We finished a credible 3rd in the club Championship and 1st Grade made the Grand Final coming out runners up to Old Ignatians in the Kentwell Cup.

The other major highlight saw our Colts come of age and make the playoffs, losing only narrowly to St Pats in the first round, but in doing so, positioning us to attract an even higher standard of player in 2003.

Our 1st grade also had the honour to play Old Ignatians at Aussie Stadium as a Super 12 warm up. Not only play, but win convincingly with what could only be described as "Dirty Red Rugby" at its best.

We also continued to enjoy a solid mix of local and overseas players and this year we had Ben Pennington from England in his second season with us assume the club captaincy following Matt Thomas's injury. That injury saw the end of Matt's career, ended many would assert, prematurely as the result of the first real injury of his long playing career. Matt was influential on and off the field and his leadership will be sadly missed.

Building on 2001, our Juniors under the continued guidance of Michael Stephenson, ably supported by Michael Hahn and an army of parents and friends moved from strength to strength. I had the pleasure of attending their award day, held at the ground on a

Sunday afternoon, attended by over 100 boys and an army of parents. You would have to have been there to appreciate the spirit and enthusiasm displayed.

On the ladies front we took pride in the selection of Davina Craft to represent Australia this year against Spain.

Off the field the challenges were more difficult, without a real home base. We tried to capitalize on the new facilities at the oval with very limited success and our major sponsor, the Riverview Hotel in Balmain, proved too far from the ground to be a viable substitute for the licenced club. The lessons learned were however factored into the plans for 2003 and before the end of the season we had negotiated with the Drummoyne Sports Club to make that our home base for the new season and look forward to a significant improvement in after match and after training socialising.

Again we are indebted to John Mulford for his continued support and wise counsel. He orchestrated the presence of Vince O'Gorman in his 92nd year as guest of honour on Veterans' day and again at the Founders Lunch later in season. As a result, a new trophy to be presented to the Team of the season has been added to our trophy cabinet in Vince's name. We also received a new trophy to be presented in memory of Gary Nicoles which will be presented to the player of the day on Veteran's Day.

This year saw the retirement of Ken Stevenson from the role of Club Secretary after 7 years of service. There are no words to adequately describe his contribution and commitment and our thanks and appreciation are matter of record. Fortunately 2002 saw us establish a full committee, out of which Geoff (Mungo) Porter emerged as Ken's replacement. My thanks go to Mungo for his tireless efforts and support for me in my first year as Club President.

Thanks also go again to all our sponsors and helpers for the season without whom we would not be able to exist. Having lost the Licenced Club, the task of financing the club is an ongoing challenge that seems to get harder year by year. Without our sponsors, those who find sponsors and the week on week canteen volunteers we would be out of business.

A special thanks to Geoff Granger our Treasurer, to my fellow committee members, Fred Andrews, Peter (Gav) Gavrilis, Michael Hahn, Michael Stevenson, Danny Rawlings (Past President), Sasha Andrews (Womens' rep), Colin Baggott (Social Secretary), Bruce Bailey (Players' Rep) and not least Sandy Bannatyne who also has worked tirelessly all season as Home Ground Steward. Also to our coaching staff Warnie and Fred, Gav, Grant Pollit, Ross Edwards, Bruce Bailey, Mike Trenell and Geoff Laundry – for maintaining the traditions of the club on the field week after week.

I cannot close with acknowledging the support of my wife Elma, whose efforts in the canteen represent only a small component of what she does in her passionate support of our club and what it stands for past, present and future.

**Yours in rugby,
Colin Fleming,
President**

SECRETARY'S REPORT 2002

Firstly, farewell to Ken Stevenson who relinquished the Secretary's role mid 2002.

Ken had done a hell lot of work behind the scenes & at his own admission too much. so I wish him well in his retirement. Job well done.

As for the workers in the Club, that has been adequately covered by the President. There is always someone you miss, & thanks to all.

One area that I felt needed attention at the end of 2002 was some of the memorabilia that was needing a home as a result of the Licensed Club closing. Fortunately John Mulford our Patron has been a big help here, not only volunteering space at his office at the Australian Rugby Archives, but also cataloguing all the items for future reference.

Please note though that this is a temporary home for our items & a new / permanent home must be found in the near future. I would be happy to take calls from any parties with suggestions. Thanks to John for not only this task but also being an invaluable reference to matters on club policy & the like.

Another task in the off season will be the website which will house not only news / Events, but historical information & photos. My goal is to set up this as an electronic" Library or portal for all Rugby Club matters

Regarding helpers, next year it is hoped that we can share around some of the work to new people..... both on & off the committee..... & to ease the burden on the regulars.

On the financial front you will see a renewed drive to gain funds from general membership as well as a higher figure from players / sponsors & functions.

Best Regards
Geoff Porter
Secretary.

SOCIAL REPORT 2002

This year saw a new social secretary & committee being introduced to try and help the players and supporters of Drummoyne to bond together off the playing field. Main sponsorship was by the Riverview Hotel in Balmain. The hotel underwent a slight change which saw the top floor of the hotel being converted in a new clubhouse for the Drummoyne players and supporters. This was our initial haven to watch the Super 12 games on the big screen TV provided & to socialise after home and away games.

Our first event saw the social committee organise a harbour cruise. This kicked off between 8-12pm on May 13th and saw 110 people join us for a night of drinks, food and great views. The stragglers that were available to continue partying on ended up in the Bridge Hotel until the wee hours of the morning. A very successful night for the first event organised by the social squad.

The social squad then undertook a few daring moves and introduced a "Bad Shirt night" which went down quiet well with the older lads as they managed to gain access to a few ridiculous loud shirts and stole the night.

The next event on the calendar was the 70's night. This event was held upstairs in the Riverview Hotel and attended by 85 people all dressed up in 70's gear. A very amusing, fascinating and attentive selection of costumes was displayed on the evening, with some wild and colourful hair-dos.

The next and main event of the year to be organised was the Black Tie Ball. The venue was selected as "Dockside" at Cockle Bay Wharf overlooking the beautiful and picturesque Darling Harbour. The event was held on the 30th August and a packed house of 130 people attending. For their money we had a five course meal, wine and beer flowing for the whole evening, DJ and raffles. This year we had a theme at the ball and it was an "Injured Sports Fund Appeal" due to a couple of real bad injuries suffered by players during the course of the competition. Everyone was very helpful with their donations and we managed to raise quite a sum to help with this needy cause. Everyone had a great night and enjoyed the new venue.

The Presentation night was next on the agenda and was held upstairs in the Riverview. The pints were flowing and the awards bestowing which meant some very proud rugby players enjoying their awards and triumphs for the season.

Last but not least was our end of year tour to the Byron Bay 7's rugby tournament held in mid October. Two mini-buses, planes, trains and automobiles were engaged to get the 30 plus players to the tournament. The two men's and women's teams all made it to the quarter finals but we knocked out on the last day of rugby. Among the antics there was a few cases of beer drank, new relationships sparked and great craic was had by all who attended. A truly great end to the season and to everyone who participated.

Grand Final St Ignatians 21 Drummoyne 12

OK, 2002, well an interesting start to the season with the return of the red headed surfer, owing to Bear's over commitment in bed with his wife.....i.e. 3rd kiddie.

The first grade team got together and only a small part of the previous year's side fronted for this campaign.

But on we went ,the highlight of the 1st t round being a game against St Ignatious at the Sydney Football Stadium in round 3 that Drummoyne won very convincingly 29-7.

A similar year to 2001 was enjoyed in 2002, but again we were effected by injuries and retirements, but some new blood did emerge. Englishman Ben Pennington stayed from the end of 2001 and took a major leadership role with the team. He was definitely in fine form off the paddock.....just ask Buba! But on the paddock he excelled.

Also one of the heart and soul blokes from the Club, Robbie Cooper stood up and was well and truly counted.

We substituted our rivalry with Hunters Hill for Old Iggies and after giving them a hammering at the SFS they came and scored their first ever win against us with a 40 point drubbing at our spiritual home, Drummoyne Oval.

As one would expect these two well matched teams fought out the Grand Final, our third in a row but unfortunately Iggies got the better of us on the day and the rest is history.

5TH GRADE REPORT 2002

The year started off fine for numbers for 5th grade in 2002, but it ended up a bit of a struggle by mid season to field a competitive side.

The normal situation arised for 5th grade where it gets poached substantially by other grades on a Thursday Night

However the boys always put in a good effort week in week out & we contested every game till the death with some close losses, unlike a couple of 5th grade teams in the comp who forfeited either each week or most weeks. Ended up a credible 6th.

Thanks to the 4th graders who came down early & helped out with half a game. Special mention to Rob Cawood, Andy Farley & Anthony Shaw.

Note that 1 game Peter Kent played with both his sons, quite a feat, particularly as one is only 16 ! (Big boy for his age)

Thanks to Dave Davies for being solid & what can I say about Bruce Bailey, Capt / Coach? Buy a watch Bruce, its hard to prepare when you arrive 10 min before the game !

Bruce, you are a shocker !.....my worst nightmare.

COLTS GRADE REPORT 2002

Overall the season was a success because the team improved as the season progressed, eventually making the semis in fourth spot (only to lose to our nemesis side St Pats 11-6 in the minor semi)

There were many highlights to the year, but for me, the most satisfying was to see the team spirit develop in the young men.

The effort and heart that they put in was outstanding. The defence in the backs was impregnable and no opposition got on top of our forwards, in fact very rarely were we matched in this department.

Our weakness perhaps was our inability to score tries, which was particularly strange after some of our good lead up work. However, the combination of the backs was severely affected by injury - sometimes we had up to five key backs out.

Our highlights of the season include a 10-all draw with the eventual premiers Mosman in the second round after they beat us 41-0 in the first round. In the second round match they led 10-0, and when we drew up to 10-10, they threw everything at us, to no avail. Naturally we were very disappointed when the referee was ordered to finish the game ten minutes early.

To single out individual performances would be unfair in a team where many players displayed a single-minded attitude to physical commitment each week. However four players should be mentioned because they repeatedly showed their courage by playing injured and in pain – Mark Gillespie, Michael Corrigan, Ben Wamsteker and Nathan Landrey.

In summary, Drummoyne Rugby Club should benefit greatly in many ways from this spirited team as they advance to the seniors.

WOMEN'S REPORT 2002

The 2002 season was a tough season with focus being played on player development with several new and talented recruits. A final position of 6th on the table was maybe not a fair reflection of the teams potential. Despite some emphatic victories and some woeful losses the season was mainly a success.

A note should be made of the achievements of Davina Craft. Alongside being captain, she travelled to Spain as a member of the Australian team for the women's world cup. Other mentions should go to Naomi Chart, Emma Jeffries, Kim Skildum-Reid, Luse Vule, and Lucy Hoopatha for representing Sydney district.

Well done to Kerry Gemmel and Bear for achieving their 100th game milestone. I hope the 2004 season continues where this season finished.

FOR THE YEAR ENDED 30 SEPTEMBER 2002

The Club is a non-reporting entity and the financial statements are a special purpose report prepared for use by the Members of the Club. Significant accounting policies that have been involved in the preparation and presentation of these statements are:
